

“CONNECTING SMART INNOVATIONS”

SMART NATION

19-21 SEPTEMBER 2023
MITEC, KUALA LUMPUR EXPO 2023

TO BE OFFICIATED BY

I am glad that SMART NATION EXPO 2023 will once again be held 'in-person' which will facilitate closer interaction, networking opportunities and hands-on experience of the exhibits on display. As we move forward, our priority will focus on accelerating our digital transformation programme through our MyDigital Initiative that will be inclusive, improve our quality of life and a better future for all Malaysians.

YANG AMAT BERHORMAT DATO' SRI HAJI FADILLAH BIN HAJI YUSOF
DEPUTY PRIME MINISTER

SOUTHEAST ASIA'S BIGGEST TECH EVENT ON 5G, SMART CITIES, IR4.0, EMERGING TECHNOLOGIES AND APPLICATIONS

BY ALL ACCOUNTS, SMART NATION EXPO 2022 was a major success and firmly established it as the Region's Biggest Tech Exhibition on 5G, Smart Cities, IR4.0, Emerging Technologies and Applications. In line with the continued roll out of 5G services across the region, digital transformation will accelerate across key sectors of the economy. The introduction of 5G together with INDUSTRY 4.0, IoT, Artificial Intelligences, Robotics and Web3.0 including Virtual/Augmented Reality will create a whole host of new business that will spur growth and transform the economies of the future.

Themed: "Connecting Smart Innovations", SMART NATION EXPO 2023 is at the centre of this transformation and provide the key regional platform to connect stakeholders with innovative smart technology and solutions providers. SMART NATION 2022 bought together 14,000+ registered trade buyers including 1,446 overseas buyers from 54 countries, making it the truly the No.1 TECH Show in the region for 5G, Smart Cities, IR4.0 and Emerging Technologies. It is the proven event where key decision makers gather to source for new technology, generate new business, build partnerships, network and experience how these emerging technologies will impact the way we work and live.

AN UNMATCHED TRACK RECORD - MALAYSIA'S BIGGEST TECH EVENT

SMART NATION EXPO 2023 – BIGGER AND MORE IMPACTFUL

PLANS ARE UNDERWAY to make the next edition of SMART NATION EXPO an even bigger and more impactful event. Here's our targets:

- ▶ 30% increase in number of exhibiting companies to 650+
- ▶ 20,000 trade buyers
- ▶ 2,000+ overseas buyers
- ▶ 10 Pavilions
- ▶ 80+ Seminars & Talks
- ▶ 300 Business Matching Sessions

Exhibitors reported business potential generated:
 At the Show : **USD 11.6 Million**
 Within 12 Months after the exhibition : **USD 25 Million**

Make SMART NATION EXPO 2023 a part of your business plan and join the 500+ exhibitors that have benefited from making the right connections. Book your booth today by contacting Ms Rina at rina@ambtarsus.com

MALAYSIA – DIGITAL ECONOMY TRANSFORMATION INITIATIVES

Malaysia has rolled out its MyDigital Initiatives to accelerate its digitalization transformation by laying the roadmap to achieve the nation's vision to be a regional leader in the digital economy and attain sustainable socioeconomic development.

MyDIGITAL is a national initiative, which symbolises the aspirations of the Government to successfully transform Malaysia into a digitally-driven, high income nation and a regional leader in digital economy.

The Malaysia Digital Economy Blueprint spells out the efforts and initiatives to deliver the aspirations of MyDIGITAL. In addition, MyDIGITAL is designed to complement national development policies such as the Twelfth Malaysia Plan (RMKe-12).

WHY INVEST IN SMART NATION EXPO 2023?

Participating in exhibition takes a lot of time and resources BUT can delivers real benefits and KPIs. The key is choosing the right show - especially if you plan to do just one show. Here are the reasons why the SMART NATION EXPO is the right choice:

-  Proven track record. **550+** exhibitors. **14,000+** trade buyers, **54** countries
-  Size matters. It is the **Biggest TECH EVENT** in Malaysia and among the largest in the Region.
-  **91%** of Exhibitors Met or Exceeded their Expectations
-  **94%** of Exhibitors are Satisfied with Quality of Visitors
-  **Focusing** on key verticals: Smart Government, 5G & Communications, Smart Manufacturing, Smart Banking/Fintech, Smart Building, Smart Developments/Properties, Smart Energy, Smart Mobility, Smart Healthcare, Smart Security, Smart Education, and Smart Agriculture.
